

# GALAPAGOS PACKING LIST

This is a thoughtfully curated list of recommended items to pack for your trip. While all items are optional, they are designed to enhance your comfort, convenience, and overall experience. Since you are travelling in a protected area, eco-friendly and biodegradable items are appreciated to minimize the impact on this fragile ecosystem.

## CLOTHING

- Lightweight quick dry shirts ( short and long for sun protection)
- Lightweight hiking pants (or zip-off convertible pants)
- Comfortable shorts
- Swimsuits ( 2-3 for water activities)
- Light jacket or windbreaker
- Sweater or fleece (for cooler evenings)
- Wide brimmed hat (for sun protection)
- Bandana or Buff (for sun protection)
- Comfortable walking shoes (for dry landings and hikes)
- Sturdy water shoes or sandals with good grip (for wet landings)
- Casual evening attire

## GEAR & ACCESSORIES

- Dry pack (light weight and water-resistant for excursions)
- Dry bag (to keep electronics and valuables during excursions)
- Waterproof phone case (and adjustable wrist strap)
- Underwater camera, GoPro
- Binoculars
- Reusable water bottle (we supply these as well)
- Sunscreen (reef-safe, waterproof, high SPF broad spectrum)
- Lip balm (with SPF)
- Insect repellent
- Sunglasses (polarized with strap to secure them)
- Travel towel
